Thank you for wanting to be a part of STUDIO 395 and our events and projects. We are a fully volunteer organization but we are also a business model structure, not currently a member organization.

What that means is you don't have to pay dues to be a part of what we do. However, like any good company we consider those that work for us to be our best assets. We ask for your information, so we can reach back out to you specifically when we have a good fit for your skills or experience – artistic or otherwise. We assure you that your personal information will be held in strict confidence and not shared. Please complete the **Release of Liability** waiver below. Thanks for choosing to volunteer and welcome!
